PROPERTY DESCRIPTION

Updated and Adorable 2 Story Colonial home with amazing kitchen updates and professionally decorated & landscaped. Walk into a formal entry way with an enormous formal living room to your left and formal dining room to your right. The kitchen has been completely updated with granite countertops, upgraded black appliances, new kitchen cabinets, breakfast bar and new wood floors throughout the 1st floor. All the light fixtures have been upgraded. Upstairs 3 large Bedrooms with the enormous master bedroom big enough for the largest furniture and a sitting room as well. The very big walk in closet will thrill you (take a look at the pictures). Also remember there are 3.5 baths in this home which means you never have to wait in line. Downstairs a large, refinished finished basement with family area + office space. Out back a beautiful, lush, very private backyard with gardens, large trees, perennials and hot tub which will stay. The sellers have recently replaced the hot water heater and furnace and added an electronic air cleaner. Other improvements include new faucet, granite countertop, tile floor in the half bath downstairs. In the basement all new carpet, walls, ceiling, lights, tile floor in bath, roof over garage, new ceiling fans in the master bedroom and family room and new storm door. All this and the home is in a great neighborhood and convenient to everything!
