PROPERTY DESCRIPTION

Live in a park like setting with this 5 Bedroom 3 Bath home. You'll enjoy the 1.518 acres and a completely updated house. You'll be greeted through the front double doors with a large foyer. The large eat-in kitchen features 2 pantries and plenty of counter space. The kitchen also includes a breakfast bar wood floors and is open to the Hearth room and its wood burning fireplace and wood storage closet that opens from the other side (garage) to stack wood. All in all the layout creates a very cozy atmosphere. The Formal Dining room is large and opens to an enormous living room. There's also a large bedroom on the first floor with double closets (It's currently being used as a family room). The Master Suite provides a full bath with a walk-in shower and a large dressing area. In addition to the 4 bedrooms on the 2nd floor, one room opens to a bonus room makes for a great studio or just extra storage. The unfinished basement is currently used as a Recreation area with a pool table that could stay with the home. The property features mature trees, and well cared for deck, circular drive and new landscaping.
