You'll find a living room (or office) to your right and formal dining room (with chair rail) to your left. Straight ahead, a beautiful great room with windows overlooking the golf course, a vaulted ceiling, gas fireplace with gas logs and ceiling fan. Also on the main level a large eat-in kitchen (open to the great room) with Cherry stained Maple cabinetry, Chrome appliances and recessed lighting. The Florida room is just off the kitchen with 3 sides of windows with gorgeous views of the golf course. The 1st floor master bedroom suite features a double bowl vanity, walk-in closet, tile bath heart shaped Jacuzzi style tub, and separate shower. The laundry room with cabinets and garage round out the first floor. Upstairs you'll find has 3 large bedrooms all with neutral paint and ceiling fans. There is also a nice size separate bathroom up here. The Lower level is finished and includes an enormous family room with an amazing amount of room to spread out. There's also a full bath and large bedroom. The home has a great sun porch overlooking lakes & golf course. This new golf course community is very private and situated behind the patio homes.
