PROPERTY DESCRIPTION

Updated Whitney "D" floor plan by Ball homes. Ready for you right now ! This 2074 square foot Whitney has been updated throughout and has an unfinished bonus room feature above the garage. The home is less than 2 years old and features the large "turret" front room with vaulted ceiling that can be used as an office or living room. The dining room has a beautiful palladium window letting in an amazing amount of light. The home backs up to woods. The master bedroom features a double tray ceiling with windows looking back to the woods. The master Bath features a large 2 person 5 foot shower, granite counter tops (both bathrooms have granite counter tops), a large walk in closet with upgraded shelving. The kitchen has a travertine backsplash, upgraded faucet, recessed lighting, and extended panty. Even the garage has upgrades with a finished floor, high end work Bench, garage storage shelves and garage light fixtures. The driveway has been extended for a third car. The deck has been extended and there is a gas line for an outdoor grill.
